SOLARIUM IRRIGATION TREADMILL SAFETY WALL WALKER

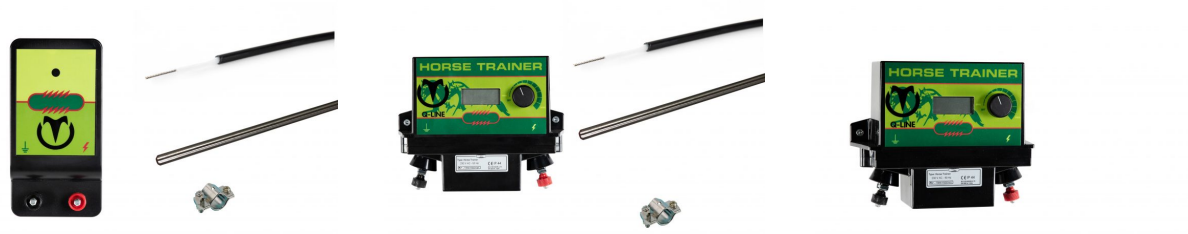

Electric Fence Set for Horse Walkers and Training Machines
This electric fence set is specially developed for use with horse walkers, ensuring a safe and controlled environment for your horses. The set comes complete with a powerful energizer, built into a sturdy plastic housing. This prevents direct contact and increases safety for both humans and animals.

- Suitable for horses
- Incl. earth spike
- Dutch manufacture

Contents of the Electric Fence Set:

- Energizer (mounted inside the protective housing)
- 16 meters of grounding cable
- 1-meter grounding rod with clamp
- Delivered ready to use for quick installation

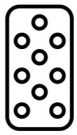

This electric fence set for horses is calibrated to the load and length of a standard horse walker and provides reliable operation under all weather conditions.
