Q-LINE

SOLARIUM | IRRIGATION | TREADMILL | SAFETY WALL | WALKER

Electric Fence for Horse Walkers and Training Machines
The **Q-Line Horse Trainer** is an electric fence energizer that is fully adjustable. The voltage can be adapted to any situation – lower voltage for sensitive horses to give a gentler shock, and higher voltage for stubborn horses to provide a stronger impulse.
Delivered complete with **16 meters of grounding cable** and a **2-meter grounding rod with clamp**.

- Suitable for horses
- Control by digital display
- Incl. earth spike

Contents of the Electric Fence Set:

- Energizer (mounted inside a protective housing)
- 16 meters of grounding cable
- 1-meter grounding rod with clamp
- Delivered ready to use for quick installation

This electric fence set for horses is calibrated to the load and length of a standard horse walker and ensures reliable performance under all weather conditions.
