

Shock device set

Including cables and earth rod.

Shock device set Horse Trainer 230 / Article no. 23-4-00-00140

The Q-Line Horse trainer is an electric shock device that is fully adjustable. The voltage can be adjusted to any situation, with jumpy horses less voltage so that the shock is smaller and with stubborn horses more voltage so that the shock is bigger. Supplied with 16 meter ground cable and 2 meter earth rod with clamp.

- ✓ Suitable for horses
- ✓ Control by digital display
- ✓ Incl. earth spike
