

Mounting aid brackets

Adjustable Ground Bracket

Adjustable Ground Bracket / Article no. 630-4-20-00002

Mounting aid brackets

Variable fixing for bottom mounting. The automatic mounting aid is characterized by simple operation and assembly. The mounting aid can be fixed in the ground with the variable screw mounting for the floor mounting. Simply insert both supports into the base, slide on the climbing aid and screw it on - done! The boarding aid seamlessly connects to the arena wall.

Simple installation
