

Lunging Arena Irrigation

Dust-free lunging with a single sprinkler

Lunging Arena Irrigation / Article no. 26-5-15-00020

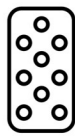

Smart and simple irrigation system for lunging arenas

Our irrigation kit is designed for simplicity, efficiency and durability. It features a powerful sprinkler mounted on an extension pipe at the ridge of the covered lunging arena.

The kit comes complete with all necessary piping, shut-off valves, mounting hardware and clear installation instructions. It's easy to install and connects directly to a standard hose. Ideal for both new and existing arenas.

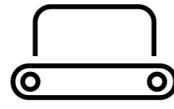

- ✓ Suitable for covered lunging arenas
- ✓ Complete kit: sprinkler, pipes, valves, mounting materials
- ✓ No digging or complex installation
- ✓ Easy self-installation
- ✓ Safe and dust-free environment
