Arena track plow

Arena track plow / Article no. 30-5-80-00010

Discover the Q-line Arena Track Plow, specially designed for effective maintenance of horse hoof marks along the outer edge of the riding arena. With a convenient side notch, maneuvering beneath the hoof wall is easy. The Q-line Arena Track Plow has the perfect weight to efficiently drag the arena, ensuring smooth and problem-free work.

Note: Thin arena track plows on the market may not deliver the desired results. Our Q-line Arena Track Plow guarantees quick and effortless restoration of the hoof track and is also ideal for leveling the track in a horse exerciser.
