Roll-Up wall bracket

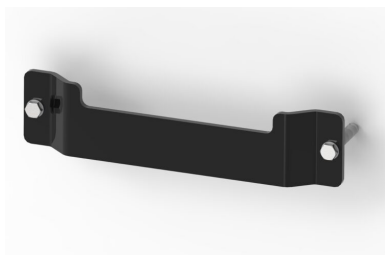

Wall bracket for the Roll-Up

Roll-Up wall bracket / Article no. 660-4-30-00001

The attachment of the additional wall bracket in f.e. the tack room, barn or in the truck provides extra comfort. You prevent unnecessary walking back and forth and therefore have more time for your four-legged friend. The theft protection ensures that the Roll-Up stays in the wall holder. For this you only need a standard lock

 Easy mounting
